1. Bird of the soul, singing in the cage  
Love of the Prophet, glory of the age  
Breaths of *Hû* our hearts engage  
Things are a bluff, Allah is enough!

3. Hey nightingale, sing of what you crave  
Unto the Lord forever be a slave  
By the book rightly behave  
Things are a bluff, Allah is enough!

2. Now think on this, singing nightingale  
Passionate love can never grow stale  
Seek the secret past the veil  
Things are a bluff, Allah is enough!

4. Lord, let this bird travel in the sky  
Let him recall a day gone by  
Keep Muhibbî's spirits high  
Things are a bluff, Allah is enough!
